## RAGBRAI DAY

The residents had a great time talking to all the riders from all over the United States and other countries. They really appreciated being welcomed into Britt with free water, popcorn, lip balm and some mints.

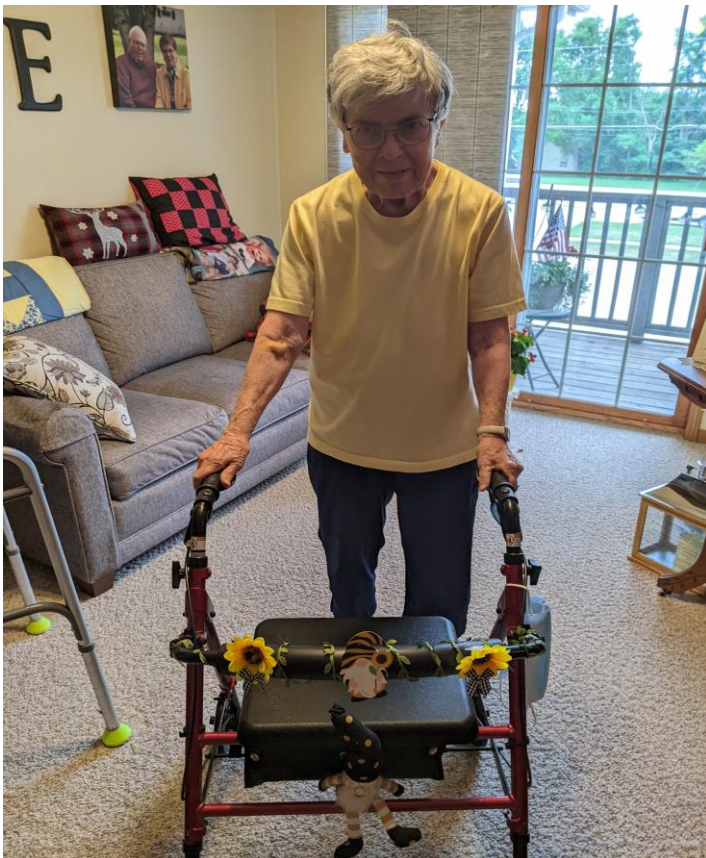

## Putting a Spring in our Step

These ladies had a great time decorating their walkers for summer.

Sandy was proud of her finished product. The gnomes were such a cute added touch.

## Bonnie and Eric

Bonnie enjoyed her day with her son who was riding the Ragbrai route. He is from Dubuque, Iowa and was enjoying conversations with the residents.

## Santa visits Iowa

Santa stopped by to talk with Lois. I wonder if she has been naughty or nice.

## Doris and her Niece Carlene

Doris got a surprise visit from her niece who lives in Arizona. She was on her way across Iowa.

## Peaches Anyone

A big thank you to Darwin, The Peach Guy, for bringing our residents delicious peaches to enjoy. They were selling fast, and Janet wanted to get in on the action.

## Farwell Denise

Thank You Denise for all your dedication and hard work these past two years. We will miss you and wish you luck in your new adventure.

## First Crop of the Season

Fresh tomatoes from our garden. They were juicy and delicious. Can never get to much of these beauties.

## Tenant of the Month! George Van Den Heuval

George was born in Africa on January 19, 1937. He was raised on a coffee plantation for the first 18 years of his life. After graduation George went to the United States where he graduated from the Milwaukee School of Engineering. After college George joined the U.S. Army and became a U. S. citizen. He then served his country in Germany for 5 years. George decided it was time to leave the service after 23 years and he retired as a Major. After retiring he went to work at Allis Chalmers and a few other places in different states. During this time, he was also a liaison for a company in France. His last job was being a driver for Opportunity Village for 9 years. George was married to Shirlene for 27 years and they had 5 children. They loved to travel and spent a lot of time over in Europe. George enjoys photography, golfing, motorcycle riding and his dry sense of humor keeps us all laughing here at Summit House where George has lived for almost a year. Congratulations George on being Tenant of the Month!

## August Birthdays

In astrology, those born from August 1–22 are Leo's Lions. As lions are kings of the animals, Leos are strong and charismatic leaders. Proud and confident, Leos enjoy performing and the attention it brings. Those born from August 23–31 are Virgo's Virgins. Often symbolized by the goddess of agriculture, Virgos are deeply connected to the material world. They are logical, practical, and aware of every detail.
