

TENANT OF THE MONTH

Beulah Mae Perry was born on April 11, 1929, in Sturgis Saskatchewan, Canada. Her parents were Helda and Bruce Farr. Beulah was an only child, so she was spoiled, I'm sure. When she was a baby the family moved to Iowa Falls, Iowa where she worked at city hall helping with administrative duties and after graduation she worked at Swift & Co. in the office. She was married to Richard Perry for 45 years and they had 4 daughters, 8 grandchildren and 15 great grandchildren.

They lived in Algona until Richard retired then moved to Norwalk, Iowa to be closer to family. After Richard died Beulah moved to the Summit House to be by her daughter. She has been at the Summit House for a little over a year. Beulah brings a ray of sunshine with her smile and laugh. She enjoys dancing, music, playing cards, and socializing with the other tenants.
